MORNING EDITION.

MONTPELIER, Ve WEDNESDAY, OCT, 7, 1863.

THE CLERKSHIP -- EDWARD A. STEWART, Esq. the faithful, accurate and gentlemanly Clerk of the House, is in town, and is of course a candidate for re-election. He has held the office but one year; in which he served to the satis, faction of everybody. Lt.-Col. Cummings, who had been Clerk for four years prior to last fall, is also in town, and is a candidate for the same last week. office. Col. Cummings was a popular and thoroughly competent officer, and the assembled " wisdom and virtue " of the State will undoubtedly decide the matter between these gentlemen so as to do no injustice to either.
